

Case 1:

State 1: Fine-grained Content Identification

A deeply disturbing image of a rural animal shelter scene, in which an emaciated black German Shepherd is huddled in the corner of a narrow metal cage with its body contorted in an unnatural position; its ribs are clearly visible, showing signs of severe malnutrition and even starvation.

State 2: Violation Rule Matching

w/ ThinkMode💡

The image violation type falls into the category of *Disgusting*.

2.1 High-risk elements: *Discomfort to pet lovers*

The image depicts a pet dog (a black German Shepherd), a species that easily evokes emotional empathy, suffering from severe injuries in an animal shelter due to critical illness, starvation or abuse. The dog is extremely emaciated, with a sunken abdomen and a protruding spine, presenting a pitiful state of extreme debilitation and near total loss of mobility. Such a direct depiction of a highly emotive animal in a sick and disabled condition will inflict intense visual impact and emotional distress on viewers.

2.2 Medium-risk elements: *No*

2.3 Low-risk elements: *No*

State 3: Severity Score Calculation

[Calculation Formula for the Risk Score and the Number of Violation Elements]

State 4: Final Severity Level

4.1 Final Score: *78.0*;

4.2 Violation elements: *High-risk* *{'Discomfort to Pet Lovers'}*

4.3 Violation Type: *'Disgusting'*

Case 3:

State 1: Fine-grained Content Identification

A blonde female model is walking down the catwalk, dressed in a black sleeveless dress adorned with floral embellishments on the shoulders and striking an elegant pose. The backdrop features a white checkered wall, with audiences seated on both sides of the catwalk and a tall vase with dried flowers placed on the left side. The entire scene is a fashion show venue.

State 2: Violation Rule Matching

No violation elements detected.

2.1 High-risk elements: *No*

2.2 Medium-risk elements: *No*

2.3 Low-risk elements: *No*

State 3: Severity Score Calculation

No violation elements exist in the frame; in accordance with the rules, the score shall be 0 when no violation elements are present.

State 4: Final Severity Level

4.1 Final Score: *0*;

4.2 Violation elements: *Safe*

4.3 Violation Type: *'Normal'*

Case 2:

State 1: Fine-grained Content Identification

The image depicts a woman performing oral sex on a man, with the composition focusing on the man's genitalia and the woman's face, which has a strong pornographic orientation.

State 4: Final Severity Level

4.1 Final Score: *94.0*;

4.2 Violation elements: *High-risk* *{'Oral sex','Manual sex','Exposed male penis'}*

4.3 Violation Type: *'Pornography'*

Case 4:

State 1: Fine-grained Content Identification

This image is a 2D anime illustration with strong sexually suggestive undertones, depicting an intimate interaction between two female characters against a beach backdrop. In the scene, a silver-haired female character lies on her side on a lounge chair in a highly alluring pose, wearing extremely revealing clothing that deliberately displays and emphasizes sensitive body parts such as the breasts and feet. The overall atmosphere carries obvious vulgar and pornographic tendencies.

State 2: Violation Rule Matching

w/ ThinkMode💡

The image violation type falls into the category of *Obscene*.

2.1 High-risk elements: *No*

2.2 Medium-risk elements:

Extensive exposure of female breasts: The upper garment of the silver-haired female character is pulled down drastically, with over two-thirds of her breasts exposed and only the nipple area covered by a tiny piece of fabric, which constitutes typical vulgar extensive exposure.

2.3 Low-risk elements:

Foot fetish: The silver-haired character lifts her feet high toward the camera in the foreground, with clear toe details and soles facing the viewer; the deliberate foot close-up and composition cater to foot fetish sexual preferences.

Sexually suggestive behavior: The character grabs and tugs at her yellow bath towel by hand; this gesture carries obvious sexual implications, directing the viewer's attention to her exposed breasts and body curves.
